# STATE PERFORMANCE PLAN / ANNUAL PERFORMANCE REPORT

## Compliance Indicators

- C1 Timely Provision of Services
- C7 45-day Timeline
- C8 Early Childhood Transitions

## Results Indicators

- C2 Services in Natural Environments
- C3 Child Outcomes
- C4 Family Involvement
- C5 Child Find (Birth to One)
- C6 Child Find (Birth to Three)

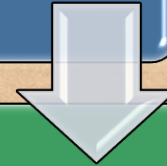

# Overview of Federal Regulations

- State Part C lead agencies are required to set targets for *results indicators* that show improvement over the *baseline data*
- Targets must be set for *6 years* Federal Fiscal Year (FFY) 2020–2025
- Targets must be set with *broad stakeholder input*
- Targets should be rigorous and aspirational but realistic
- These targets must be included in the Part C State Performance Plan and Annual Performance Report (Part C SPP/APR) submitted 2/1/22

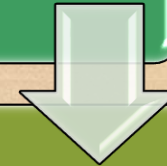

## Federal Regulations (continued)

- States have the ultimate responsibility to set targets
- States must report on how and from whom broad stakeholder input was obtained throughout the process of target setting
- Interim years' targets may stay the same or reflect decreased performance
- However, the FFY 2025 target must be higher than the baseline.
- Targets and baselines can be changed, if necessary, with stakeholder input, with sufficient rationale for the changes, and with OSEP approval.

# BUILD BACK BETTER BILL

---

- Still negotiating size and scope of bill
- Bill includes some climate pieces
- New House version of the bill is awaiting CBO score
- House vote planned week of November 15<sup>th</sup>
- Using reconciliation that allows simple majority in Senate as long as rules are met
- Senate needs all 50 Democratic votes to pass
- No Senate Republicans have expressed support
- Senate may pass a different version of the bill requiring resolution of the differences through conference

# WHITE HOUSE FINAL FRAMEWORK

---

- ❖ On 10/28, President released final [the Build Back Better Act](#),
- ❖ Expands access to high-quality, affordable child care to about 20 million children per year and covers 9 out of 10 families across the country with young children.
- ❖ Limits child care costs for families to no more than 7% of income for families earning up to 250% of state median income.
- ❖ The vast majority of working American families of four earning less than \$300,000/per year will pay no more than 7% of their income on child care for children under 6.

# WHITE HOUSE FINAL FRAMEWORK

---

- ❖ For two parents/one toddler earning \$100,000 per year, the framework will produce more than \$5,000 in child care savings per year
- ❖ Creates millions of jobs for both early educators and parents while supporting increased wages
- ❖ Expands access to free preschool for more than 6 million 3- and 4-year-old children per year, increases the quality of preschool for many more children already enrolled, and saves families an average of \$8,600 per year, per child
- ❖ Allow families to choose settings in communities

# BUILD BACK BETTER BY STATE

- 
- ❖ White House has released [state by state fact sheets](#) regarding the impact of Build Back Better including fact sheets on impact on Latinx, Black, and AAPI Americans.
  - ❖ On November 3<sup>rd</sup> the House released a new current version of the bill
  - ❖ First Five Years Fund released a summary of the child care and pre-k provisions
    - ❖ <https://www.ffyf.org/child-care-and-pre-k-in-the-build-back-better-act-a-look-at-the-legislative-text/>

# BUILD BETTER BACK PLAN

---

- ❖ \$2.5 billion annually for FY2022-2027 to improve compensation for Head Start staff
- ❖ Extension of American Rescue Plan Act (ARPA) changes to the Child Tax Credit (CTC) that make the CTC fully refundable, increase the amount of the credit, and allow for advance monthly payments.
- ❖ Also includes significant personnel development funding

# FFY 2022 APPROPRIATIONS STATUS

---

- ❖ October 1, 2021 through June 30, 2022
- ❖ IDEA awards July 1, 2022
- ❖ Process is currently in Continuing Resolution (CR) until 12/3/21
- ❖ President and full House included Part C policy changes and a \$250 million increase in funding
- ❖ Senate Committee bill language released; also includes \$250 million increase and Part C policy language;
- ❖ No Senate floor action is planned
- ❖ House and Senate reps are conferencing differences in the two bills and must agree to funding levels and policy language
- ❖ Bill becomes law when agreed to by full Congress and signed by the President

# PART C POLICY CHANGES IN SENATE COMMITTEE BILL

---

- ❖ Notwithstanding section 638 of the IDEA, any State receiving a grant under section 633 of the IDEA must reserve not less than ten percent of its award for use in a manner described in a State plan, approved by the Secretary, to ensure equitable access to and participation in part C services in the State, particularly for populations that have been traditionally underrepresented in the program

# PRESIDENT'S BUDGET REQUEST FOR FFY 2022

---

- ❖ All States receiving funds under Part C would be required to reserve not less than 10 percent of their annual award to develop and implement an equity plan approved by the Secretary. Such plans, submitted as part of the State Performance Plan (SPP), would include identified subgroups and regions the State determines have limited access to Part C services including data on service rates of such identified subgroups and regions, a comprehensive set of evidence-based practices the State intends to implement to engage underserved subgroups and meet the needs of those populations, and a proposed budget for executing its plan.
- ❖ The Department will conduct monitoring and oversight of these equity plans to ensure states are complying with them and are effectively providing services to the underserved populations they have identified.

# PRESIDENT'S BUDGET REQUEST FOR FFY 2022

---

States would provide the Department with annual updates and data on subgroup service rates demonstrating the extent to which gaps are being closed. Such practices may include:

- providing additional support to providers who serve underrepresented populations;
- making revisions to State Medicaid plans to ensure that a child's IFSP is sufficient documentation for Medicaid billing;
- translating outreach materials into additional languages, including indigenous languages and languages of immigrant communities;
- updating service delivery models to more effectively reach infants and families in remote areas;
- improved outreach to home daycare providers and other trusted community care providers about the signs of developmental delay;
- increase support and technical assistance for local health departments to ensure effective screening practices are in place for families who receive primary care from those agencies;
- training on implicit bias for individuals making referrals for Part C services; or
- streamlining evaluation procedures to reduce barriers to participation in the program.

# PART C POLICY CHANGES IN SENATE COMMITTEE BILL

---

- Notwithstanding section 632(4)(B) of the IDEA, a State receiving a grant under section 633 of the IDEA may establish a system of payments but may not include in that system family fees or any out-of-pocket costs to families for early intervention services insofar as such prohibition does not affect the ability of states to maximize the use of private insurance and Medicaid consistent with section 631(b)(2):

# ADDITIONAL SENATE LANGUAGE

---

- ❖ Development of model eligibility criteria underway through OSEP and HHS programs
- ❖ Any State seeking to amend its eligibility criteria under section 635(a)(1) of the IDEA in such a way that would have the effect of reducing the number of infants and families who are eligible under part C must conduct the public participation under section 637(a)(8) of the IDEA at least 24 months prior to implementing such a change

# HOUSE APPROPRIATIONS

---

- ❖ **Part B Section 611 State Grants** – \$15.5 billion, a \$2.6 billion increase
- ❖ **IDEA Part C** - \$731.9 million, a \$250 million increase over FFY 2021
- ❖ **IDEA Preschool 619** - \$502.6 million, a \$105 million increase over FFY 2021
- ❖ **Part D National Activities Program** - \$428.3 million, a \$174.5 million increase
  - ❖ \$250 million for the Personnel Preparation program, a \$160 million increase
  - ❖ \$49.3 million for TA/D, an increase of \$5 million to support technical assistance efforts designed to improve equity in the services delivered under IDEA
  - ❖ \$30.2 million Parent Information Centers, an increase of \$2.7 million
- ❖ **Special Education Research** - \$59.5 million, \$1,000 million increase

# OTHER HOUSE EARLY CHILDHOOD FUNDING LEVELS

---

- ❖ **Maternal and Child Health Block Grant** - \$868.7, a \$156 million increase over FFY 2021
- ❖ **Universal Newborn Screening** – \$19.5 million, a \$1.7 million increase over FFY 2021
- ❖ **Head Start** – \$12.2 billion, \$1.4 billion increase over FFY 2021 including \$750 m expansion in EHS
- ❖ **Child Care Block Grant** - \$7.3 billion, a \$1.5 billion increase over FFY 2021
- ❖ **Preschool Development Grant** - \$450 million, a \$175 million increase over FFY 2021
- ❖ **Child Care Access Means Parents in School Program (CCAMPIS)** – \$95 million, a \$40 million increase
- ❖ **Developmental support for families:** \$25 million to place early childhood experts in pediatric offices
- ❖ **Infant and early childhood mental health (IECMH)** - \$25 million, a \$17 million increase

# SENATE COMMITTEE'S PROPOSED FUNDING LEVELS
